

# DIY Dove Poster

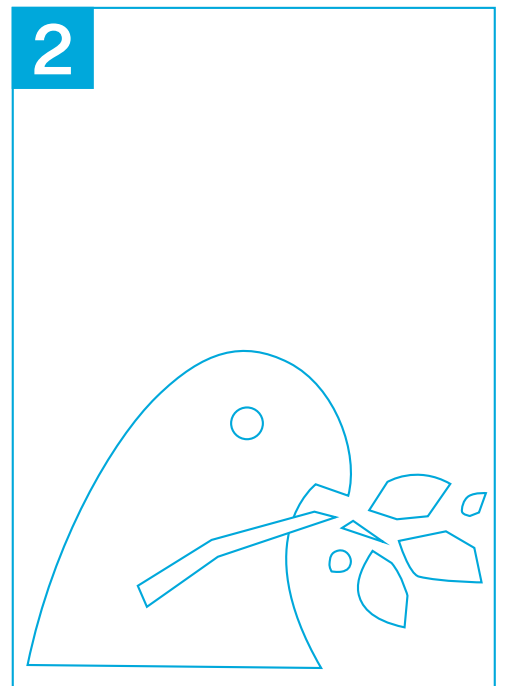

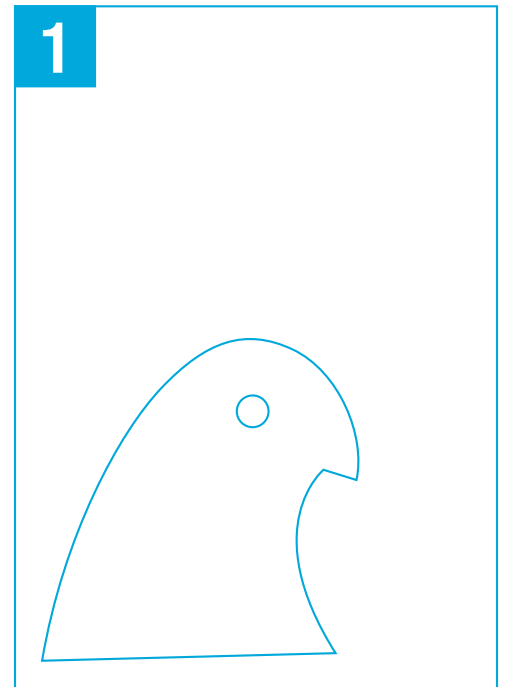

## You will need

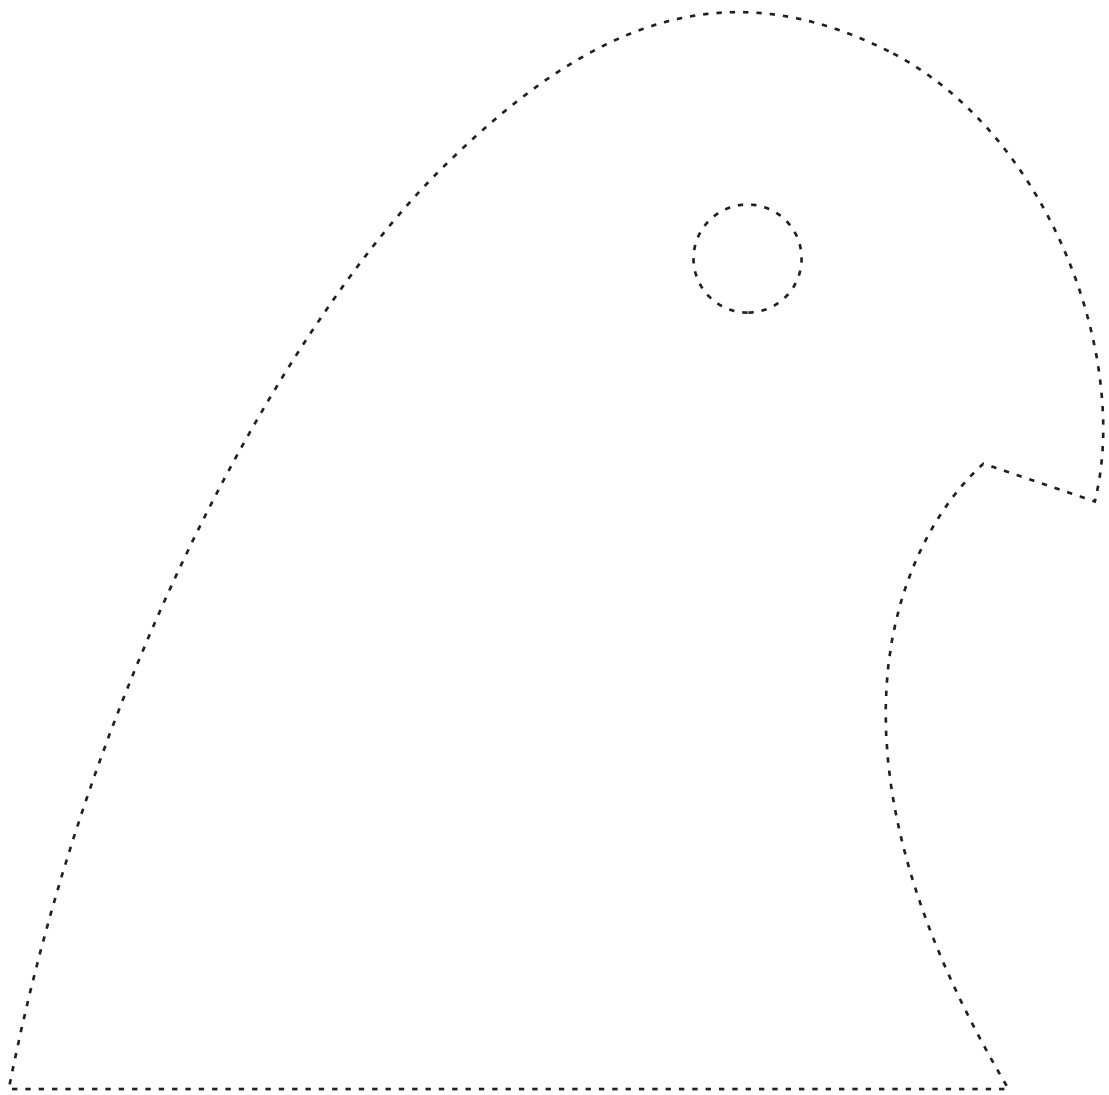

- A printer
- Coloured paper
- Cardboard for structure  
(or print on white paper and colour)
- Glue
- Scissors

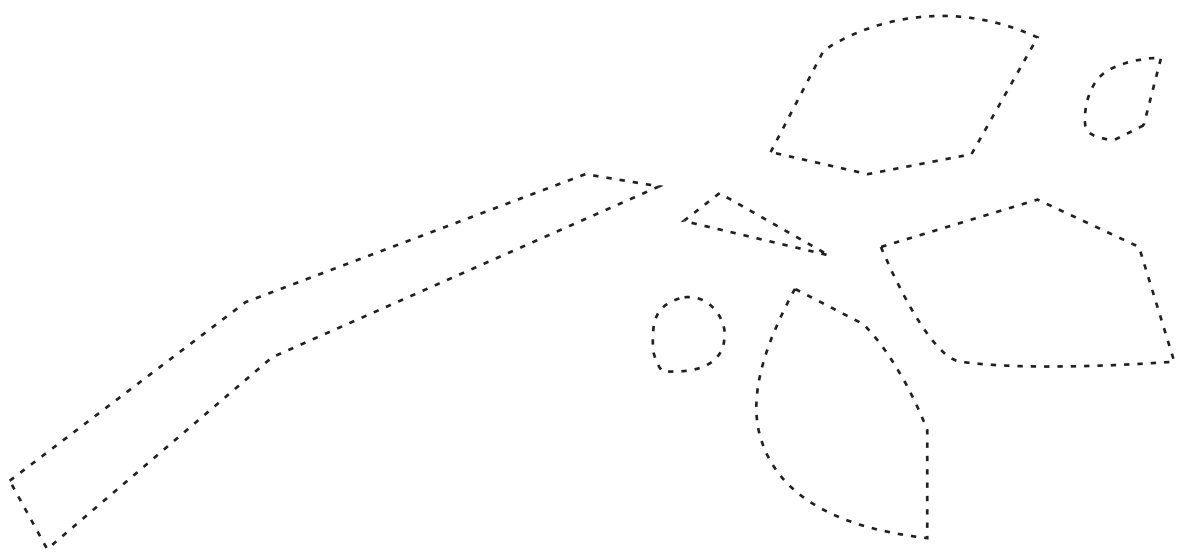

## How To

1. This design has 4 layers: (1) base (2) dove (3) olive branch, and (4) the message.
2. The cardboard will be our base. You can paste blank white paper on it or try painting it with a colour of your choice.
3. Print pages 2–3 on colour paper different to your base color.
4. Cut out all the shapes along the dotted lines
5. Layer your design as shown on the diagram on the right.
6. Take a few steps back and look at your image to see if it can be read from afar.
7. If you're happy with how it looks, paste them on the base.

**for bonus points, add your own message!**
